We are asking, if possible, if there be two ministers that go to the nursing home together.

Call your partners a couple of days before your scheduled date to make sure who will be leading the Communion service that Wednesday.

Ministers should try to alternate each time so all can have a turn to lead the service.

Please call for a replacement as soon as you know you can't make it on your assigned day and volunteer to take your replacement's day.

Thank you for all you do for this important ministry.
